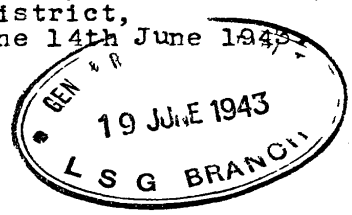
Office of the Deputy Commissioner,
Kolar District,
Dated, Kolar the 14th June 1943



To

The Secretary to Government of Mysore,
Law Department, Bangalore

In forwarding herewith the petition dated 13-3-43 addressed to the President, Municipal Council, by Mr Imam Shariff, contractor of the shandy gate for 1942-43 in the Chintamani Municipality for a remission of a sum equal to five monthly instalments of the lease amount due by him to the Municipality under the circumstances stated therein, I have the honour to state that the contractor purchased the right to collect fees at the shandy of the Municipality for 42-43 at annual rental of Rs 9600/- in an auction sale held therefor and he is stated to have so far paid the monthly instalments due upto the end of March 1943 and the balance due by him is Rs 2400/- excluding the initial deposit of P 1600/- made by him before obtaining possession of the gate The President reports that the circumstances set out in the contractor's application are true and that the contractor has incurred a loss by the lease The Council have on considering the application of the contractor at their meeting held on 30-4-43 resolved (vide resolution enclosed in the records) that a remission of P 1600/- equal to two monthly instalments of the rental may be allowed to him The president has therefore recommended sanction to the resolution of the council

2 Including the initial deposit made by the contractor, the amount so far paid by him towards the rental of the lease works out to P 8800/- as stated by the President and only a sum of P 800/- remains outstanding recovery from him In view of the agreement (vide enclosed in records) executed by the contractor he is not entitled to claim any remission under any circumstances But under the circumstances represented by him and affirmed by the President, I am of opinion that a remission of Rs 800/- being one month's instalment outstanding

outstanding recovery may be allowed to the contractor I request you therefore to be so good as to move Government to accord sanction for a remission of Rs 800/- to Mr Imam Sheriff out of the rental due by him to the Chintamani Municipality towards this lease

3 A copy of the letter No P C 44/42 dated 13-5-43 of the president, Municipal council, Chintamani is herein enclosed along with the corrected records received from the President, for favour of reference and return when no longer required

Letter No H C 44/42-3 dated 13-5-43 from the President, Town Municipal Council, Chintamani to the Deputy Commissioner, Kolar District

---

In enclosing herewith the file of records relating to the shandy ate contract of Chintamani for the year 1942-43, I beg to state as follows -

The right of collecting fees of shandy of Chintamani for the year 42-43 was sold by Public auction on 22-6-42 and one Omar Sheriff of Chintamani offered the highest bid of Rs 9600/- and obtained the contract During the course of the contract, many unforeseen circumstances occurred which resulted in short collections of fees in the shandy The control of food stuffs was the most important cause for the loss of revenue in the shandy as hundreds of carts which used to come to the Chintamani shandy from British India ceased to do so on account of the control order There is no doubt that the contractor has really incurred a loss The application of the contractor dated 13-3-43 which is enclosed in the file explains the various other causes which have contributed to the loss according to him

The application was considered at length at the meeting of the Municipal Council held on 30-4-43 and the members have come to the final conclusion that in view of the heavy loss incurred by the contractor, he may be given a remission of two months instalments which amount to Rs 1600/- A copy of the resolution of the Council is enclosed for kind perusal

In this connection I beg to state that monthly instalments have been collected regularly upto date and there is only one instalment outstanding which should have been collected by about the 10th May 1943, but for the above stated resolution of the council The mount so outstanding is Rs 800/- So far including the deposit of P 1600/- paid by the contractor at the time of the sale, a sum of Rs 8800/- has been collected, leaving a balance of P 800/- as stated above I am of opinion that as the contractor has really incurred a loss and though with much difficulty he is paying regularly the monthly instalments he may be given a remission of at least P 1600/- as desired by the council It is needless to say once again that he has really incurred a terific loss owing to the food conditions through out In anticipation of kind approval, the collection of Rs 800/- due by the contractor is suspended in accordance with the resolution of the Municipal Council Early orders in the matter are solicited

Subject - Remission of Rs 800/- being the khist due from Mr Imam Sheriff, Shanay Gate Contractor, Chintamany.

Sir,

With reference to correspondence ending with your letter No L 12607/11 dated 26-6-43 on the above subject, I have the honour to forward herewith the connected records received from the President of the Municipal Council with his No M.C 32/42 dated the 20th instant and to state that the Shanay was not closed during the year 42-43. As regards the accounts, if any, maintained by the Contractor who represents sever e loss, it is reported by the present president that he checked the statement of receipts and expenditure furnished by the Contractor with reference to the account book maintained by him and that the contract resulted in a loss of Rs 2829/- as seen from the statement enclosed in the records.

2 The balance now outstanding collection is Rs 800/- and as already recommended, the contractor suffered loss owing to the operation of food control orders resulting in the loss of Revenu to the shanay.

3 In these circumstances, it is requested that kind sanction of Government for the remission of Rs 800/- being one months' Khist may kindly be obtained.

The entire file is enclosed.

I have the honour to be,
Sir,

Sir, With reference your letter No.
A 5 C 2790/Cur of 28.11.43 I am remitted
of Rs 800 being thirty thirst due from Mr. Dhanu
Sheriff, Shandy for contractor, Chintamani
I am directed to state that as the
dispute between Secretary and Defence
Shandy was not closed the contractor
cannot be allowed any remission
further, It would create an incompetent precedent
other remission on the round
that the contractor suffered loss on
account of the operation of the food
control order, could be creating
an inconvenient precedent.

The remarks received with your letter
under reference are herewith returned
